

# YEAR 5 HOME LEARNING PICK AND MIX GRID

	Geography	History	RE / PSHE	French	The Arts	Science
Expand	Create a map of your local area including any key areas or landmarks.	Imagine you went back in time to the Shang Dynasty. Write a letter, diary entry or poem about your experience. You may want to write from the perspective of a leader or citizen.	Create a poster about the rights of a child.	Imagine you have lost a pet. Create a MISSING PET poster in French. Remember to include what your pet looks like.	Create an information sheet explaining what tints, tones and shades are with examples.	Design a toy or machine which needs a magnet to make it move. This could be a new invention.
Creative	Make a model of a chosen Biome and what you would find there. Choose from - Aquatic Desert Forest Grassland Tundra <a href="https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/zvsp92p">https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/zvsp92p</a>	Create your own oracle bone with your own personalised message.	Create a piece of Art about an inspirational person.	Make a movie of you and a family member having a discussion about what we have been learning in class. Remember to keep it simple and have fun.	Create your own landscape Art using your knowledge of colour theory.	Think about the forces that act on different machines and create your own model labelling the forces.

Aim to bring in at least 6 pieces of work across the term.
